Volunteer Sign Up Narrative

Sarah is a 15 year old girl from Branksome Hall in Toronto Ontario. In order to satisfy her required volunteer hours for high school she visits our site to look for possibilities. After checking out the open volunteer positions she finds one that she likes. Sarah signs up to be a member of the volunteer pool and requests to be updated on a regular basis for more opportunities.

After 4 years of volunteering, Jason is ready to move on and has requested to no longer receive updates as well as be removed from the volunteer pool.

Each user has one role, and each volunteer is one user.
